

## CLIPPER CRS-201

Keep hair under control with the Corioliss Clipper-201; a high grade styling tool designed for enhanced performance to match that of a professional barbershop.

Market leaders, not followers, we are in pole position for the professionals. This Hair Clipper is fitted with titanium, corrosion resistant blades to achieve a precise, professional cut. Powered by a professional motor it comes complete with four attachment combs, clipper oil and a cleaning brush.

### Features & Benefits

Powered by lithium ion technology, the CRS-201 outperforms standard rechargeable clippers by providing 270 min the run time, clocking in at 3 hours on a full charge. The clipper can be used both corded and cordless. There are 3 LED indicators for speed and 5 battery charge levels.

### What should I use the Clipper for?

Features a slim, ergonomic shape for comfort and less wrist fatigue whilst cutting. The adjustable blade allows for a greater variation in cutting lengths from 1.00 to 1.9 mm.
