

GLAMOUR WAND LEOPARD GOLD

Now you can create glamorous Hollywood curls or shake your hair loose for a more natural, sexy tousled effect. Making curls is faster and easier with the Corioliss Glamour Wand!

Features & Benefits

The Corioliss Glamour Wand is designed to give you the most natural looking results every time with the conical shaped heated barrel. Available with heat control 100-190°C and dual voltage circuitry for global use, ideal for travel! The ceramic/tourmaline barrel when heated emits negative ions helping to eliminate static and frizz.

What should I use the Glamour Wand for?

The Corioliss Glamour Wand is the perfect tool for creating waves and curls and it is so easy to use, you can even control the size of your curl. Just hold near the root and wind away! Adjustable temperature control is ideal for different hair types and the cool tip prevents burning whilst styling.
