

ELECTROCURL BLACK

The Electrocurl is not your average curling iron because unlike normal curling irons it does most of the styling for you! This motorized barrel rotates left or right to create the perfect curl every time!

Features & Benefits

This curling tool comes with a 25mm thick curling wand that protects your hair from excessive heat damage. The integrated motor fixes your hair in the desired hairstyle instantly. This technologically driven, hair styling appliance features negative ion conditioning technology that eliminates frizz and flyway to give silky and bouncy locks.

What should I use the Electrocurl for?

Create desired curls and beachy waves with this ElectroCurl that style your hair perfectly and leaves a voluminous effect you always wanted. It is the perfect tool for beginners!
