

# CORIOLISS

## FLOW+ BLACK

The Corioliss Flow+ Dryer gives you fast drying time with amazing silky and shiny salon results. This hair dryer manages to remain quiet and silent even at the highest power setting.

### Features & Benefits

Featuring a 2000W Turbo Motor, the Flow+ Dryer also gives you control with 2x speed settings and 3x temperature adjustments. It also includes 2 airflow nozzles, comfortable ergonomic design, and a 3 metre salon cable.

### What should I use Flow+ for?

This hair dryer makes it easier to blow dry longer hair due to its low weight. Also, its cool shot button helps lock your finished style in place with a blast of cold air.
