

CORIOLISS

X SLIM CURLER 28 MM.

This curling iron is very easy to use. You get soft, shiny and silky hair with easy and quick hair styling. The ceramic/tourmaline barrel is longer than the standard, and when heated emits negative ions helping to eliminate static and frizz, and the display shows the working heat.

Features & Benefits

The X Slim features an integrated digital temperature control and a high quality of materials. And you can choose between 19 mm, 25 mm and 28 mm.

What should I use XSlim for?

They are great for curling quickly and easily, since the clamp helps to maintain the hair held and the longer barrel helps to work any hair. It heats up in seconds and provides a smooth and polished finish.
