

C-STEAM

It is the queen of home treatments. This straightener delivers Argan O Keratin Shine heatactivated serum to nourish your hair and get exactly the look you want while styling. With its multiple settings, you decide the perfect amount of Argan or Keratin for your hair.

Why is it different?

The temperature control technology and polished titanium plates make this straightener a must-have for silky, smooth and beautiful hair. It also keeps your colour intact by nourishing and preventing fading.

What can I use it for?

You want shiny, healthy and silky hair, but you don't want to work too hard, do you? Corioliss C-Steam is exactly the straightener you need. The steam treatment leaves hair more spectacular with every stroke and repairs the cuticle to enhance shine and seal in moisture.
