

## CLIPPER 503

Discover this impressive cordless machine with a 6,800 rpm rotary motor. Powerful, simple and with a long-lasting battery.

### Why is it different?

Because it is an innovative machine with a state-of-the-art lithium-ion battery for 5 hours of uninterrupted operation on a 3-hour charge. It has an exclusive ceramic blade that maintains an optimal temperature and higher performance.

### What can I use it for?

The Clipper 503 is designed for professional use thanks to its powerful motor, ideal for high volume haircuts on all hair types. Its 6 combs allow you to adapt the cut to all needs.
