

CORIOLISS

CRIMPER

The Crimper features professional spring-supported titanium plates and a 360° swivel cord, reaching temperatures ranging from 60°-220° in 30 seconds, allowing for faster styling.

Why is it different?

It is perfect for adding texture and volume, the Corioliss Crimper is designed to give you perfectly crimped waves. The zig-zag titanium plates feature negative ion technology crimps hair without damage.

What can I use it for?

The heat from the plates temporarily reshapes the hair, and once the hair cools, it retains the crimped texture.
