

CORIOLISS

FLOW DC

This professional hairdryer is pure luxury. Not only does it look spectacular, its technical features make it the first in its class: super powerful motor, high airflow and high drying speed for hours and hours of operation.

Why is it different?

Because it has a high-performance 2200W motor, 2 speed and 2 temperature controls, plus a cool air button ideal for styling. It has a 2,8 metre salon-ready cord and 2 attaches nozzles.

What can I use it for?

This hairdryer is suitable for professionals who want a powerful, quality hairdryer. Its DC motor ensures a very long life and its performance makes it the star of the salon.
