

## THE SHAVER

New Corioliss Shaver, powerful and quiet with a high-performance rotary motor. It is designed to meet all expectations in the professional shaving routine.

### Why is it different?

It has a high-performance motor and a lithium-ion battery with no memory effect and 90 minutes of uninterrupted operation on a single charge. It is also lighter, more powerful and more comfortable, and features a titanium foil for an irritation-free shave.

### What can I use it for?

The new Corioliss professional shaver offers you high performance for work on the neck, nape of the neck or head, and for trimming or touching up beards and sideburns, not forgetting the most extreme fades.
