

## TRIMMER 265

This trimmer is designed for use in professional hairdressing, barbering and beauty salons. Its ergonomics and technical features make it an ideal tool to work on hair definition in an easy way.

### Why is it different?

This tool has a lithium-ion battery with no memory effect that lasts twice as long as conventional batteries. It has the Touch Start System touch ignition, a feature that makes it unique and different. It also has a groundbreaking aesthetic thanks to its mirror metallic finish.

### What can I use it for?

The Trimmer 265 makes it easy to perfect details. Due to its smooth finish, it is ideal for correcting and designing the cut. It also has 4 cutting guides of 1.5mm, 3mm, 4.5mm and 6mm. Take your creativity to the next level!
