

## TRIPLE BARREL

This triple curling iron will help you achieve a wavy mane with ease. It is designed to create volume and texture ... it's sure to turn heads!

### Why is it different?

Because it exceeds all expectations when it comes to achieving water waves. What's more, you can choose the temperature setting on this unique straightener to suit your hair type. It has a digital temperature control that varies from 80° to 210°.

### What can I use it for?

For very defined, beach- inspired waves. With Triple Barrel it's easy to create body, volume and movement.
