

CORIOLISS

X-SLIM

These curling tongs are very easy to use to get your curly style with an ultra-shiny finish. They feature a longer than standard ceramic and tourmaline barrel. .

Why is it different?

Because the barrel is longer to provide better comfort when working on long hair. They are very complete tools thanks to the digital temperature control that varies from 80° to 210°. In addition, you can choose between 3 diameters: 19, 25 and 32mm

What can I use it for?

They are great for quick and easy star waves. They come with an ergonomic clip to help you hold your tresses in place for better control of your style. With a smooth, shiny and neat finish.
